

BENWAY SCHOOL 2016-2017 SCHOOL YEAR

7.

DRESS CODE

It is important to remind parents/guardians of the Benway dress code. Indecent, suggestive, racial, drug and/or gang related clothing/jewelry will prevent your child from attending class and therefore not obtain credit for that class and/or day. It may also require you to bring appropriate clothing to school or pick up your child from school on that day (resulting in no credit for the day).

Of further note, the Wayne Police Department has advised us that any type of indecent apparel (low cut or sleeveless tops, shorts worn above the finger length line, skin tight clothing) may result in an indecent exposure charge against your child.

Your utmost cooperation regarding this matter is greatly appreciated. It is imperative that learning takes place in an environment with the least amount of disruptions, distractions and interruptions.

Please sign and return the bottom portion of this notice acknowledging your receipt. Thank you.
