SUMMARY OF RULES 2016 - 2017

There will be some changes with regard to school and classroom rules; as well as a very ambitious and motivating behavior modification program that will be implemented during the 2016-2017 School Year.

- Cell phones will be taken from each student upon entering the building and returned at the end of the day. All other electronic equipment such as iPods, Electronic handheld games, etc., will be taken upon entering the building.
- Smoking will *not* be permitted anywhere on campus as per Federal Law, Title 20, Ch.70, Sect.7183 US. Violators are subject to fines and possible dismissal.
- Upon entering the school, each student is required to have their backpacks, pocket-books, and any other personal belongings checked by Benway staff. In the event there is some suspicion that a student is holding a questionable object or an illegal substance, a physical search and or a security wand will be used.
- Daily attendance will be factored into quarterly grades. **REWARDS** will be given for compliance.
- Dress code will continue to be enforced. Indecent suggestive, racial, drug and/or gang related clothing/jewelry will prevent your child from attending class and therefore not obtain credit for that class or school day. It may also require you to pick up your child from school on that day or bring a change of clothing to school.
- Appropriate behavior on a consistent basis will result in Weekly Rewards as well as Monthly and Marking Period Rewards as well as monthly school trips.
- Emergency closing or delayed opening notification of school will be announced by calling Benway School at (973) 633-3837. You may also check Benway's website at (www.benwayschool.org) as well as Channel 12 News TV.
- ALL Emergency, Medical, and Permission forms are to be up-dated each school year. These forms must be completed, signed and returned to our main office. For the safety and well-being of your child, these forms are *extremely* necessary. Without up-dated emergency/permission forms on file at Benway, your child may not be permitted to leave the school grounds for trips, volunteering, sport events, or for any shared-time programs.
